HIGHEST LEVEL TERRAIN PARK

Welcome to the Highest Level, the cutting edge of terrain parks in North America. The Highest Level contains Most Difficult and Expert snow features, jump on rails with gaps and narrow rail surfaces. Unlike the Terrain Garden, Habitat Park, Nintendo Park, Snow Cross track and half pipes, access to Highest Level is controlled and is restricted to advanced and expert riders and skiers who produce a valid Highest Level/Special Events pass at the entrance. Helmets are mandatory in Highest Level - no exceptions.

SPECIAL EVENTS

The term "Special Events" shall include any activity which is organized, conducted or sponsored by Whistler Blackcomb and shall include by not limited to, races, competition, demonstrations and other such events or activities.

The organizers of the Special Events publish Rules relating to each event. All participants are expected to read and abide by these Rules. Copies of the Rules are available from the Whistler Blackcomb Events Department.

ASSUMPTION OF RISKS

I am aware that skiing and snowboarding involves many risks, dangers and hazards including, but not limited to: boarding, riding and disembarking ski lifts; changing weather conditions; exposed rock, earth, ice, or other natural objects; trees, tree wells, tree stumps and forest dead fall; the condition of snow or ice on or beneath the skiing surface; changes or variation in the terrain which may create blind spots or areas of reduced visibility; changes or variations in the skiing surface or subsurface, including changes due to man-made or artificial snow; variable and difficult snow conditions; streams, creeks and exposed holes in the snow pack above streams or creeks; cliffs; crevasses; impact or collision with lift structures, fences, snow making equipment, snow grooming equipment, snowcats, snowmobiles and other vehicles, equipment, structures, or objects or equipment; snowcat roads, road-banks or cut-banks; impact or collision with other skiers, snowboarders, racers, spectators, participants, competitors, course officials; avalanches; the failure to ski or snowboard safely or within one's own ability or within designated areas; negligence of other skiers, snowboarders, racers, spectators, participants, competitors, course officials; and **NEGLIGENCE ON THE PART OF THE RELEASEES**. I UNDERSTAND THAT NEGLIGENCE INCLUDES FAILURE ON THE PART OF THE RELEASEES TO TAKE REASONABLE STEPS TO **SAFEGUARD OR PROTECT ME FROM THE RISKS, DANGERS AND HAZARDS ASSOCIATED WITH USE OF THE HIGHEST LEVEL TERRAIN PARK OR PARTICIPATION IN SPECIAL EVENTS**. I am also aware that the risks, dangers and hazards referred to above exist throughout the ski area and that many are unmarked. I FREELY ACCEPT AND FULLY ASSUME ALL SUCH RISKS, DANGERS AND HAZARDS AND THE POSSIBILITY OF PERSONAL INJURY, DEATH, PROPERTY DAMAGE AND LOSS RESULTING THEREFROM.

INFORMATION ABOUT HIGHEST LEVEL TERRAIN PARK

HIGHEST LEVEL UNVEILED

Highest Level is the premier terrain park at Whistler Blackcomb. The features in Highest Level include: largest size features and jumps; jump on rails with gaps and narrow rail surfaces; most difficult features.

HOW TO GET IN

Access to Highest Level will be controlled at the entrance. Only those persons producing a valid Highest Level/Special Events pass will be permitted into the Park. If you purchase your pass at a mountain top location, upon completion of the Release Agreement you will receive a temporary ticket that will get you into Highest Level that day. Pick up your photo ID pass at one of the Guest Relations locations in the valley (Blackcomb Day Lodge, Village or Creekside). Valid picture ID will be required when purchasing and collecting your photo ID Highest Level pass.

All persons purchasing a Highest Level /Special Events pass must complete and sign this Release Agreement. For applicants under 19 years of age, the Release Agreement must be co-signed by a parent or legal guardian.

ARE YOU READY FOR HIGHEST LEVEL?

Since Highest Level contains most difficult features, we only want advanced and expert riders and skiers on the run. Generally speaking, you should be comfortable and competent on L or more difficult features before attempting the features on Highest Level. If in doubt about your experience level, speak to the Whistler Blackcomb Ski and Snowboard School, who may recommend that you take a lesson to have your skills evaluated.

ARE HELMETS REALLY REQUIRED?

Yes, helmets are mandatory for both boarders and skiers on Highest Level. This means that you not only must have a helmet on when you show your pass to the Terrain Park host at the entrance to Highest Level, you also must keep it on your head while you are on Highest Level. We reserve the right to decide what an acceptable helmet is. Chances are, if you purchased a helmet within the last few years from a reputable retailer, we will have no problem with it.

If you are in the market for a helmet, present your Highest Level pass at one of the Showcase Snowboard Shops to receive a discount on the purchase of a new helmet.

CAN YOU GET HURT?

Absolutely! Injuries are a common and expected part of using Highest Level. There is growing medical concern over the cumulative impact of repeat minor concussions. Helmets will not prevent all head injuries, but may lessen the severity of some injuries. Doctors are now recommending that in addition to helmets, skiers and snowboarders consider attaching chin protectors or mouth guards to their helmets. Helmets will not prevent spinal cord injuries.

Although all skiing and snowboarding activities involve the risk of injury, airborne maneuvers in Highest Level increase this risk. Inverted aerial maneuvers substantially increase the risk of serious injury and are not recommended.

WE HAVE RULES

On the next page, we have printed the signs that you will see posted at the entrance to Highest Level: Terrain Park Rules and Regulations and Freestyle Terrain Levels. Terrain Park Rules & Regulations and Freestyle Terrain Levels were developed for the Terrain Park and Half Pipes. The Alpine Responsibility Code applies to the entire ski area, including Highest Level. It is your responsibility to know the rules and abide by them.

Intrawest respects your privacy. OUR RULES HAVE TEETH — DON'T GET BITTEN!

Getting tossed out of Highest Level, and facing loss of your Highest Level pass and suspension of skiing and snowboarding privileges at Whistler Blackcomb for the season, is easy — simply try one or more of the following:

1. Bypass the entrance and slip into the Park under the fence or through the trees.
2. Overestimate your riding or skiing experience. If in doubt, speak to the Whistler Blackcomb Ski and Snowboard School.
3. Ignore the Terrain Park Rules and Regulations, the Alpine Responsibility Code, or requests or directions from the Highest Level Terrain Park Hosts, Mountain Safety, Ski Patrol or other Whistler Blackcomb staff.
4. Once past the entrance, take off your helmet when attempting one of the features.
5. Lend your Highest Level pass to a buddy who is either too cheap or too inexperienced to get their own. Both you and your buddy may end up on the sidelines for the season. Remember, the pass has your name on it — it is not transferable.

Breach of the Alpine Responsibility Code or the Terrain Park Rules and Regulations may also result in a suspension from Whistler Blackcomb for the entire season. Don't let this happen to you or your friends! These rules have been put in place for your safety and protection. We need your help to make the system work so that we can continue to offer you the best terrain park experience in North America.
